Graphic Design, 3D Design, Painting, Drawing

PROJECTS

Personal Portfolio Website | hindyhamburger.vercel.app | github.com/HindyH/portfolio

- Built and deployed a responsive personal site using Next.js (App Router), TypeScript, and Tailwind CSS, hosted on Vercel with CI/CD via auto-deploy on push
- Developed a custom Python image-processing pipeline to generate multiple responsive image sizes and blurred placeholders, improving page load performance
- Designed and structured an artwork gallery with category-based organization and dedicated pages per piece, merging design and software engineering skills

WORK & VOLUNTEER EXPERIENCE

Piermont Design Group

Administrative & Design Support | 2025 - Present

- Organized and maintained website designs and files to support project efficiency and accurate recordkeeping
- Manage timekeeping and expense data entry to ensure accurate and timely client billing

KosherTroops

Volunteer Coordinator | 2020 – Present

- Coordinate volunteer training and packing operations to improve warehouse efficiency and reduce liability
- Manage inventory data and logistics for large-scale care package distribution

Freelance Graphic Designer | 2020 - Present

- Designed logos and print advertisements for nonprofit campaigns, events, and private clients
- Created custom branding for bar/bat mitzvahs and weddings

LEADERSHIP & ACTIVITIES

Peer Tutor, Yeshiva University

- Tutored students in Intro to Computer Science and Programming, reinforcing core programming and problem-solving concepts through one-on-one instruction

Board Member, Gaming Club

- Helped plan and run events for a club of 20-30 members, handling logistics and member coordination
